# Company Overview:

**Team Trade** is a group of professionals with extensive experience and various skill sets that can properly utilize time and money for optimum outcomes.

## Mission:

- Aiming to achieve market needs based on globalization concepts.
- Required Qualities Fitting Competitive Prices.

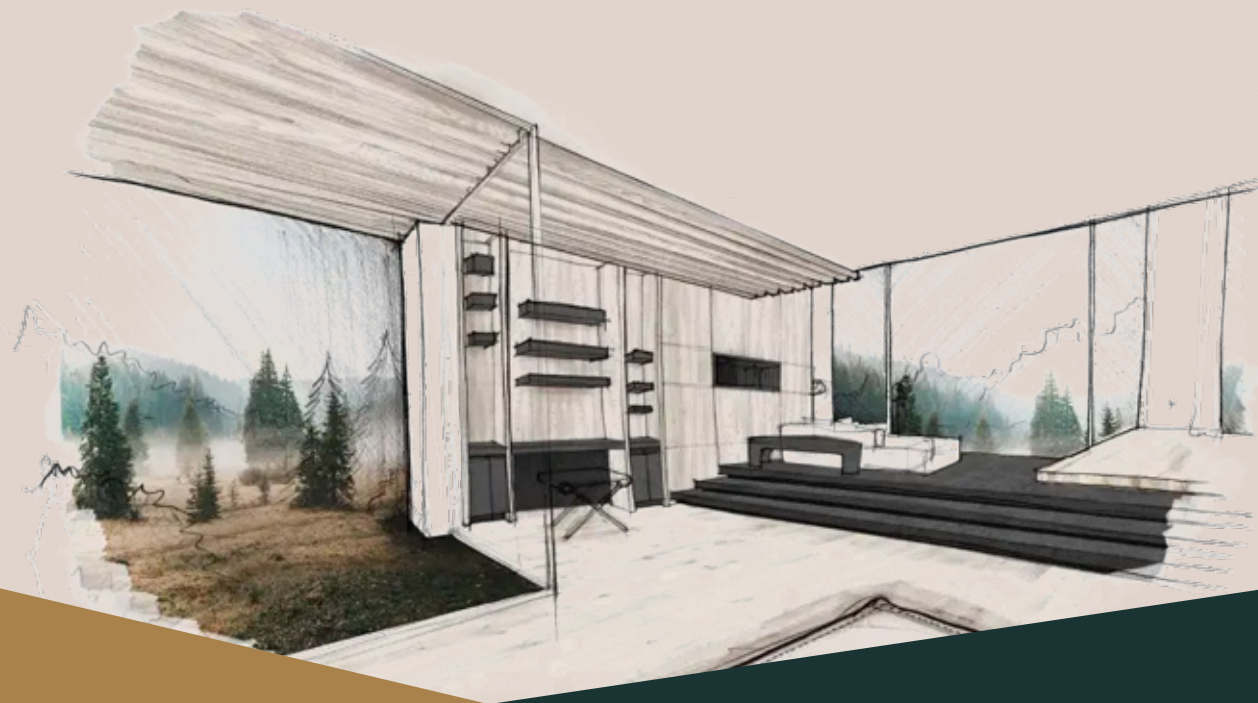

## Vision:

- To be one of the top contractors in the Egyptian market.

## Objective:

- Improve workplace health and safety.
- Develop our people.
- To fulfill our three main cornerstones for project management (Quality, Time & Cost Efficiency).

What We Do

## Interior Design

Your vision deserves more than four walls; it deserves a story.

We offer tailored interior design solutions for residential, commercial, and office projects. Our well-defined design process ensures a concept that is customised to your preferences, lifestyle, and the way you actually live in the space.

From interior design and furniture planning to product selection and landscaping design, we handle it all, including full procurement services with access to a carefully curated network of suppliers, so every material and finish is tailored to your exact needs.

## Project Management

We take the complexity off your plate; managing your project from day one to final handover, so you can focus on what matters most: the result.

Our commitment to delivering within time and budget isn't just a promise; it's built into how we work.

Our scope includes resource planning, schedule development, time and cost control, monitoring, reporting, and quality management, all handled by one dedicated team.

## Contracting

Turnkey delivery. Uncompromising standards.

We deliver fully finished, turnkey projects to the quality standards you deserve. Every execution phase passes through a carefully selected network of skilled subcontractors, chosen for their precision and reliability.

Our contracting scope covers:

Architectural works

MEP & HVAC systems

Suspended ceilings

Tiling: «Ceramic, Porcelain, Marble, and more»

Painting & decorative finishes

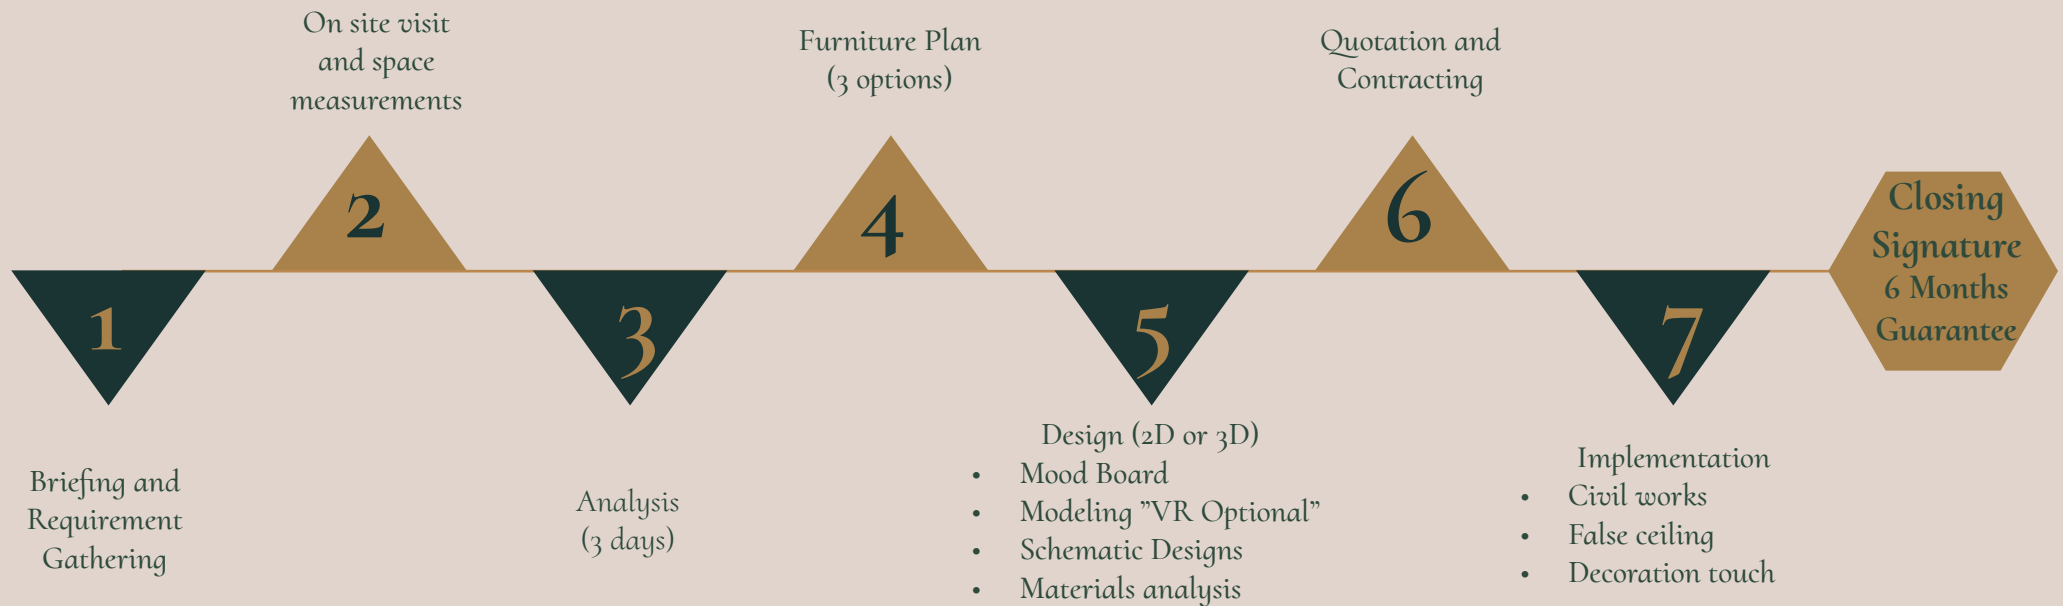

Cladding: «Metal, Wood, Brick, and more»

From groundwork to final touch, we deliver on time, within budget, and without compromise.
